

Greek Movie Night

Little England

*A story of passion – one home,
one secret, one man, two sisters.*

In Greek with English subtitles

This lush drama-romance film is set in 1922 on the island of Andros. Two Greek sisters fall for the same sturdy captain. This is a tale well told, compelling and richly detailed, both visually and psychologically. A hauntingly beautiful and impeccably acted film with beautiful music and extraordinary cinematography.
